Stanwood Police Department CompStat Report

City of Stanwood Police Chief Jason Toner

Prepared by: Snohomish County Sheriff Office Crime Analysis Unit and Stanwood Police Department

COMPSTAT REPORT

What is CompStat?

CompStat stands for 'Computer Statistics' dealing specifically with crime. It is found to be an effective way to accurately track crime and use the information to deploy officers to address it in timely manner. It is a performance management system that is used to reduce crime and achieve other police department goals. It emphasizes information-sharing, responsibility and accountability and improving effectiveness.

What is the benefit to the community?

CompStat allows us to track crime problems and allocate resources to the areas that are being affected. By being able to focus our efforts on areas being impacted, we are able to make apprehensions and drive down crime in Stanwood.

How is data collected?

Crime Analysts access a variety of systems to collect and analyze law enforcement data. Data collection begins at the 911 call center (SNO911) and carries over into law enforcement records management systems (LERMS). Much of the information presented in this report is also reported to state and federal agencies annually.

What data will you see in this report?

What occurred within the city limits of Stanwood and calls responded to by the Stanwood Police outside the city.

This is a true representation of all police activity occurring in the City of Stanwood, you will see these calls listed as "In the STW Beat". On occasion, Stanwood Police officers will be called outside the city to assist other agencies. We also have deputies who live outside of the city so on occasion they will make a traffic stop or respond to a nearby call while commuting to work. You will see these call listed as "Answered by STW ORI"

Incident data:

This represents what police were called to and includes self-initiated activity. Multiple 911 calls for the same incident are presented as a single incident.

Case data:

An incident becomes a case when the deputy determines reporting protocol is met. A case is often generated based on a specific crime, traffic collisions, arrest or the need to document specific actions or information.

POLICE STAFFING

The City of Stanwood contracts for law enforcement services through the Snohomish County Sheriff's Office. The contract is identified as a "stand alone" contract, which allows the City of Stanwood to maintain its own police identity to include policies and procedures that meet unique small city needs. All uniforms and vehicles are identified as Stanwood Police and we provide services to the city population of approximately 8,405.

DIVISIONS:

CHIEF OF POLICE: Has the rank of Lieutenant with the Sheriff's Office. Oversees all aspects of the Police Department daily operations. The Chief works with city staff to ensure community needs are met.

ADMINISTRATIVE SERGEANT: Administers the day-to-day administrative functions of the Police Department and oversees the day shift deputies, School Resource Officer and Detective. Steps in as the Chief of Police when the chief is absent.

NIGHT SERGEANT: Oversees the swing shift and night shift deputies.

PATROL DIVISION: Responds to crimes in progress, traffic collisions, missing persons, and other emergency and non-emergency calls for service.

SCHOOL RESOURCE OFFICER: Utilizes the concept of educator, informal counselor, and law enforcer; working to bridge the gap and build relationships between law enforcement and youth.

DETECTIVE: Works in conjunction with patrol and the resources of the Snohomish County Sheriff's Office to investigate a broad range of felony- and misdemeanor-level crimes that occurred in the City of Stanwood.

	ASSIGNED	VACANCIES	PERCENTAGE
Chief	1	0	100%
Sergeant	2	0	100%
Deputy	6	0	100%
School Resource Officer No longer a PD employee - SCSO contract	1	0	100%
Detective	1	0	100%

Message from the Chief

On Friday March 1st around 3:00 AM Washington State Trooper Christopher Gadd was stopped along I-5 in Marysville on DUI Patrol and was tragically killed when an intoxicated driver collided with his patrol vehicle at an extreme rate of speed. Trooper Gadd was the 23rd officer killed in the line of duty in 2024 and the 7th by motor vehicle collision. "When a police officer is killed, it's not an agency that loses an officer, it's an entire nation" Chris Cosgriff, Founder Officer Down Memorial Page.

Unfortunately, fatality collisions in total and due to impairment have been on the rise the last few years:

- 2021: 674 traffic fatalities, 345 involved intoxicated drivers
- 2022: 740 traffic fatalities, 389 involved intoxicated drivers
- 2023: 800 traffic fatalities, +400 involved intoxicated drivers

There were several bills this legislative session proposed to fix traffic related issues.

- **Initiative 2113** Police Vehicular Pursuit- Was passed by the House and Senate will authorize a police pursuit for reasonable suspicion a person has violated the law.
- **SB 5002** Reducing the Blood Alcohol Limit to .05- This bill is unlikely to receive enough votes to become law.
- **HB 2396**- Fentanyl Education: passed both the House and Senate
- **HB 5032**-Extending the DUI Felony look back to 15 years: passed the Senate, did not make it out of the House.

Stanwood News:

Approximately once a month Deputy Kargopoltsev teams up a social worker with County Human Services in an attempt to provide services to our homeless population, which is typically less than 10 persons.

This past week Deputy Kargopoltsev and Social Worker Wheat made three contacts.

2024-1558 – Met with homeless male near Taco Time. Verified he is eligible for voucher through DSHS and will be hopefully following up to get housing. He is expected to respond to the Carnegie Center to meet with a housing navigator for next steps.

2024-1561 – Met with a male living in his vehicle near the library to follow up on progress with getting housing. Observed severe infection/medical issue on legs, arms, and hands. Called for aid to respond and they determined he needed to be transported to the hospital.

2024-1564 – Citizen made a complaint of two vehicles with individuals allegedly living out of them parked in the parking lot at the ballot box across from the Stanwood Library. Contacted RO of spray-painted truck who denied being homeless and declined resources. Other vehicle (SUV – Durango) at location had signs of somebody living in it, but nobody was inside to make contact. Citizen was advised of contacts and informed that it was up to property owner moving forward to move vehicles along.

Detective Report

Stanwood Police Case 24-877

Vehicle Prowl and Identity Theft

On 02-01-2024 a vehicle was prowled in the Stanwood YMCA parking lot. The victim's debit card was stolen.

A short time later, the victim's debit card was used to purchase a gift card at the Arlington Walmart.

Video of the subject using the victim's debit card was shared with area law enforcement. The subject was identified as person who is wanted in multiple States for similar crimes. He has been traveling the I-5 corridor over the last several months.

FEBRUARY 2024

Stanwood Camano School District SCHOOL RESOURCE OFFICER

TRAINING!

Stanwood High Assistant Principal Tom Wilfong and School Resource Officer Bud McCurry teamed up to practice breaching doors in the event of a barricaded subject.

Staff members at Stanwood High School practiced using the emergency stair chair and carry sling. The equipment is to be used in the event of elevator outages.

FBLA

54 Stanwood FBLA members competed at FBLA Regionals held at Stanwood High on Feb 3rd. Students who placed in the top 6 are eligible to compete at FBLA State in Spokane in April.
