Stanwood Police Department CompStat Report

City of Stanwood Police Chief Jason Toner

Prepared by: Snohomish County Sheriff Office Crime Analysis Unit and Stanwood Police Department

August 2024

Stanwood Police Department

COMPSTAT REPORT

What is CompStat?

CompStat stands for 'Computer Statistics' dealing specifically with crime. It is found to be an effective way to accurately track crime and use the information to deploy officers to address it in timely manner. It is a performance management system that is used to reduce crime and achieve other police department goals. It emphasizes information-sharing, responsibility and accountability and improving effectiveness.

What is the benefit to the community?

CompStat allows us to track crime problems and allocate resources to the areas that are being affected. By being able to focus our efforts on areas being impacted, we are able to make apprehensions and drive down crime in Stanwood.

How is data collected?

Crime Analysts access a variety of systems to collect and analyze law enforcement data. Data collection begins at the 911 call center (SNO911) and carries over into law enforcement records management systems (LERMS). Much of the information presented in this report is also reported to state and federal agencies annually.

What data will you see in this report?

What occurred within the city limits of Stanwood and calls responded to by the Stanwood Police outside the city.

This is a true representation of all police activity occurring in the City of Stanwood, you will see these calls listed as "In the STW Beat". On occasion, Stanwood Police officers will be called outside the city to assist other agencies. We also have deputies who live outside of the city so on occasion they will make a traffic stop or respond to a nearby call while commuting to work. You will see these call listed as "Answered by STW ORI"

Incident data:

This represents what police were called to and includes self-initiated activity. Multiple 911 calls for the same incident are presented as a single incident.

Case data:

An incident becomes a case when the deputy determines reporting protocol is met. A case is often generated based on a specific crime, traffic collisions, arrest or the need to document specific actions or information.

August 2024

Stanwood Police Department

POLICE STAFFING

The City of Stanwood contracts for law enforcement services through the Snohomish County Sheriff's Office. The contract is identified as a "stand alone" contract, which allows the City of Stanwood to maintain its own police identity to include policies and procedures that meet unique small city needs. All uniforms and vehicles are identified as Stanwood Police and we provide services to the city population of approximately 8,405.

DIVISIONS:

CHIEF OF POLICE: Has the rank of Lieutenant with the Sheriff's Office. Oversees all aspects of the Police Department daily operations. The Chief works with city staff to ensure community needs are met.

ADMINISTRATIVE SERGEANT: Administers the day-to-day administrative functions of the Police Department and oversees the day shift deputies, School Resource Officer and Detective. Steps in as the Chief of Police when the chief is absent.

NIGHT SERGEANT: Oversees the swing shift and night shift deputies.

PATROL DIVISION: Responds to crimes in progress, traffic collisions, missing persons, and other emergency and non-emergency calls for service.

SCHOOL RESOURCE OFFICER: Utilizes the concept of educator, informal counselor, and law enforcer; working to bridge the gap and build relationships between law enforcement and youth.

DETECTIVE: Works in conjunction with patrol and the resources of the Snohomish County Sheriff's Office to investigate a broad range of felony- and misdemeanor-level crimes that occurred in the City of Stanwood.

	ASSIGNED	VACANCIES	PERCENTAGE
Chief	1	0	100%
Sergeant	2	0	100%
Deputy	6	0	100%
School Resource Officer No longer a PD employee - SCSO contract	1	0	100%
Detective	1	0	100%

RECORDS UNIT

Records Summary: Job duties include, but are not limited to, the following;

- Provide administrative support for all members of the Stanwood Police Department.
- Assist the Chief of Police with police budget tracking and review.
- Verify and code all incoming invoices for the Police Department.
- Ordering of supplies for the department, and special events.
- Subject matter expert for the Law Enforcement Records Management System (LERMS) used by Stanwood Police Department.
- Manage all Stanwood Police Department documents and records.
- Review all electronic case file entries and information for accuracy.
- Scan paper records into electronic case files.
- Forward criminal arrest referrals to the Prosecuting Attorney's Office.
- Enter trespass notices, gun alerts, and other safety alerts into the agency's electronic records management system.
- Route Child Protective Services & Adult Protective Service referrals.
- Maintain department case file and document archives per Washington State records retention/destruction schedules.
- Responsible for federal reporting of crime statistics to the National Incident Based Reporting System (NIBRS).
- Run monthly case audits and records validations.
- Enter court orders, missing persons, vehicle impounds, lost or stolen property, stolen vehicles, etc. into Washington Crime Information Center and National Crime Information Center (WACIC/NCIC).
- Provide second checks for all entries made into Washington Crime Information Center and National Crime Information Center (WACIC/NCIC).
- Conduct background checks for concealed pistol license and pistol transfers applications.
- Provide fingerprint services for concealed pistol license applicants and citizen fingerprints.
- Review and fulfill public records requests within the guidelines of the Public Records Act.
- Create/update/maintain all process, procedure, and training manuals for the position.
- Serve as Stanwood Police Department's Terminal Agency Coordinator for the Washington State Patrol ACCESS program.
- Assists with walk-in and telephone customers, averaging 8,000 yearly contacts.
- Route calls to 911 and non-emergency dispatch.
- Respond to requests for service and answer general questions.
- Manage key & key fob assignments for City of Stanwood employees.

Detective Report

Stanwood Police Case 2023-6373

Theft

In July of 2023 a local business fired one of their employees. During the following months, the business owner discovered the former employee had been selling inventory from the business online for several years, and arranging payment from customers to his personal PayPal account.

Detective Martin has been reviewing the former employee's e-mail communication over four years to identify the customers who sent payment to the former employee's PayPal account.

Multiple customers have been identified and most are currently living outside of Washington.

Detective Martin is attempting contact with each customer to request a statement detailing their purchase.

Information obtained (product serial numbers) from customers will be compared to the company's inventory as evidence in the investigation.

August 2024

Stanwood Police Department

Message from the Chief

As I look out the window to an early September cloudy day with temperature a blistering 58 degrees, I am keeping my fingers crossed for a few more weeks of summer weather. As not to jinx our hope of good weather, I personally refuse to have a pumpkin spiced latte until well into October.

Speed Radar Trailer

For most of the year we have been trying to fix our speed radar trailer. Unfortunately, it is close to 20 years old, the manufacture is no longer in business, and we have been unable to find parts. Finance Director Hammond was able to find us some funding and a new radar trailer will be delivered on September 17th, so expect to see it on a busy street near you.

Community Events

Fall is a busy time for community events. We will be participating in the 9/11 Memorial Procession September 11th. On September 14th we will be at Touch-A-Truck with a police vehicles and passing out candy and stickers.

National Coffee with a Cop Day is October 4th, and we will be at Starbucks in the morning. Also, we will have our spooky tent up for Ghouls Night Out on Main Street for Halloween.

BlueBridge Alliance

Between a Washington State Department of Commerce Grant and the ReMax Community Grant we have raised just over \$3700 for this program. Additionally, the Commerce grant will match up to \$2500 for seed money for this program. Our next step is seeking community support for Stanwood PD BlueBridge Program. Please check out our Facebook Page/Website for more information

Notable Cases

Stanwood is a great community to live, work, and play, with traditionally a low crime rate. We do see spikes in crime throughout the year when our community is targeted by criminals. Currently we are seeing a spike in vehicle thefts. Over the last few months Stanwood has experienced a couple of vehicle thefts, compared to the six vehicle thefts we've had in last 10 days.

Our Officers, with the help of a concerned citizen, identified the suspect of a vehicle theft from a day before, and arrested him at his residence in town. We believe the suspect is responsible for most, or all, of the recent vehicle thefts, and our detective will be working to forward additional charges.

Chief Toner
