Stanwood Police Department CompStat Report

City of Stanwood Police Chief Jason Toner

Prepared by: Snohomish County Sheriff Office Crime Analysis Unit and Stanwood Police Department

October 2024

Stanwood Police Department

COMPSTAT REPORT

What is CompStat?

CompStat stands for 'Computer Statistics' dealing specifically with crime. It is found to be an effective way to accurately track crime and use the information to deploy officers to address it in timely manner. It is a performance management system that is used to reduce crime and achieve other police department goals. It emphasizes information-sharing, responsibility and accountability and improving effectiveness.

What is the benefit to the community?

CompStat allows us to track crime problems and allocate resources to the areas that are being affected. By being able to focus our efforts on areas being impacted, we are able to make apprehensions and drive down crime in Stanwood.

How is data collected?

Crime Analysts access a variety of systems to collect and analyze law enforcement data. Data collection begins at the 911 call center (SNO911) and carries over into law enforcement records management systems (LERMS). Much of the information presented in this report is also reported to state and federal agencies annually.

What data will you see in this report?

What occurred within the city limits of Stanwood and calls responded to by the Stanwood Police outside the city.

This is a true representation of all police activity occurring in the City of Stanwood, you will see these calls listed as "In the STW Beat". On occasion, Stanwood Police officers will be called outside the city to assist other agencies. We also have deputies who live outside of the city so on occasion they will make a traffic stop or respond to a nearby call while commuting to work. You will see these call listed as "Answered by STW ORI"

Incident data:

This represents what police were called to and includes self-initiated activity. Multiple 911 calls for the same incident are presented as a single incident.

Case data:

An incident becomes a case when the deputy determines reporting protocol is met. A case is often generated based on a specific crime, traffic collisions, arrest or the need to document specific actions or information.

October 2024

Stanwood Police Department

POLICE STAFFING

The City of Stanwood contracts for law enforcement services through the Snohomish County Sheriff's Office. The contract is identified as a "stand alone" contract, which allows the City of Stanwood to maintain its own police identity to include policies and procedures that meet unique small city needs. All uniforms and vehicles are identified as Stanwood Police and we provide services to the city population of approximately 8,405.

DIVISIONS:

CHIEF OF POLICE: Has the rank of Lieutenant with the Sheriff's Office. Oversees all aspects of the Police Department daily operations. The Chief works with city staff to ensure community needs are met.

ADMINISTRATIVE SERGEANT: Administers the day-to-day administrative functions of the Police Department and oversees the day shift deputies, School Resource Officer and Detective. Steps in as the Chief of Police when the chief is absent.

NIGHT SERGEANT: Oversees the swing shift and night shift deputies.

PATROL DIVISION: Responds to crimes in progress, traffic collisions, missing persons, and other emergency and non-emergency calls for service.

SCHOOL RESOURCE OFFICER: Utilizes the concept of educator, informal counselor, and law enforcer; working to bridge the gap and build relationships between law enforcement and youth.

DETECTIVE: Works in conjunction with patrol and the resources of the Snohomish County Sheriff's Office to investigate a broad range of felony- and misdemeanor-level crimes that occurred in the City of Stanwood.

	ASSIGNED	VACANCIES	PERCENTAGE
Chief	1	0	100%
Sergeant	2	0	100%
Deputy	6	0	100%
School Resource Officer No longer a PD employee - SCSO contract	1	0	100%
Detective	1	0	100%

Stanwood Police Department

RECORDS UNIT

Records Summary: Job duties include, but are not limited to, the following;

- Provide administrative support for all members of the Stanwood Police Department.
- Assist the Chief of Police with police budget tracking and review.
- Verify and code all incoming invoices for the Police Department.
- Ordering of supplies for the department, and special events.
- Subject matter expert for the Law Enforcement Records Management System (LERMS) used by Stanwood Police Department.
- Manage all Stanwood Police Department documents and records.
- Review all electronic case file entries and information for accuracy.
- Scan paper records into electronic case files.
- Forward criminal arrest referrals to the Prosecuting Attorney's Office.
- Enter trespass notices, gun alerts, and other safety alerts into the agency's electronic records management system.
- Route Child Protective Services & Adult Protective Service referrals.
- Maintain department case file and document archives per Washington State records retention/destruction schedules.
- Responsible for federal reporting of crime statistics to the National Incident Based Reporting System (NIBRS).
- Run monthly case audits and records validations.
- Enter court orders, missing persons, vehicle impounds, lost or stolen property, stolen vehicles, etc. into Washington Crime Information Center and National Crime Information Center (WACIC/NCIC).
- Provide second checks for all entries made into Washington Crime Information Center and National Crime Information Center (WACIC/NCIC).
- Conduct background checks for concealed pistol license and pistol transfers applications.
- Provide fingerprint services for concealed pistol license applicants and citizen fingerprints.
- Review and fulfill public records requests within the guidelines of the Public Records Act.
- Create/update/maintain all process, procedure, and training manuals for the position.
- Serve as Stanwood Police Department's Terminal Agency Coordinator for the Washington State Patrol ACCESS program.
- Assists with walk-in and telephone customers, averaging 8,000 yearly contacts.
- Route calls to 911 and non-emergency dispatch.
- Respond to requests for service and answer general questions.
- Manage key & key fob assignments for City of Stanwood employees.

Stanwood Police Department

Message from the Chief

As we are in the process of choosing a president, governor, and many state and local officials, I think it is important to thank those that choose to run for public office and the sacrifice they and their families make to serve. Whether it's a "Red" or "Blue" victory I will quote two presidents "If we love our country, we should also love our countrymen" Ronald Reagan, "There is not a liberal America and a conservative America- There is the United States of America" Barack Obama.

Registered Sex Offenders

I wanted to take some time to explain Stanwood PD responsibility for checking on registered sex offenders that reside within the city limits.

Since 1990, Washington State has required persons (adults and juveniles) who have been convicted of any sex or kidnapping offense to register their address, place of employment or school, and biological sample with law enforcement. Sex offender levels are determined by consideration of several factors about the offender and the nature of their offense(s). Adult and juvenile offenders are assigned risk level classification for purposes of community notification by law enforcement. Each risk level has different requirements for in-person address verifications. Law enforcement will go out to the offenders listed address and visually verify they are still there and in compliance with their terms of release. Offenders lacking a fixed residence must report weekly, in person, to the sheriff's office where he/she is registered. Failure to report or register will result in additional charges and possible changes to risk level.

- Risk Level One: Risk assessment indicates there is a low risk to reoffend within the community at large. Offenders are not published in the WA State Sex Offender registry. Address verification every 180-365 days.
- Risk Level Two: Risk assessment indicates there is a moderate risk to reoffend within the community at large, name is published in the state registry. Address verification every 60-180 days.
- Risk Level Three: Risk assessment indicates there is a high risk to sexually reoffend, name is published in the state registry. Address verification every 60 days.

Currently the City of Stanwood has three (3) level one registered sex offenders (RSO), four (4) level two RSO's, and one RSO awaiting a risk assessment. Stanwood PD officers check at there designated times, if an RSO as failed to register their address with the Sheriff's Office or violates their conditions of release, our officers work with the prosecuting attorney to obtain a warrant for arrest or refer charges.

There are two websites that citizens can use to learn more amount RSO in their communities:
Washington Sex Offender Public Registry: www.wasor.org, National Sex Offender Public Website: www.nsopw.gov.

Cameras in Church Creek Park

Over the years Church Creek Park has been a victim of vandalism, whether it be graffiti in the bathrooms or damage to playground. Typically, there has been little evidence to determine who caused the damage and the crime would go unsolved. Late this summer the city installed several cameras at the park. Since that time there has been two incidents of vandalism, and using camera footage, suspects were quickly identified and contacted the next day.

Chief Toner

Detective Report

Update Stanwood Police Case 2023-6373 Theft

During the investigation, Detective Martin documented over \$50,000.00 in employee theft/embezzlement from a local business.

Detective Martin served search warrants and is waiting on responsive records from PayPal, Chase Bank, and The Bancorp Bank.

Detective Martin will be attempting contact with the suspect for an interview.

Stanwood Police Case 2024-6544

On 08-16-2024 a Camano Island resident reported a burglary to the Island County Sheriff's Office after discovering the theft of her purse and receiving notifications of fraud on her credit card.

One of the fraudulent transactions occurred at the Stanwood Wells Fargo Bank the evening of 08-15-2024. The victim's credit card was used at the ATM for a \$1,000.00 cash advance.

The victim identified two females who were on her property on 08-15-2024. One female waited in the car while the victim gave the other female a tour of her property. The victim believes the female who was "waiting in the car" entered her home and stole her purse.

The victim received a notification her credit card was used for a purchase at a shoe store in Burlington the evening of 08-15-2024. An employee at the store sent the victim a photo of the person who used her credit card. The victim recognized the woman as one at her house on 08-15-2024.

Deputy Standish is applying for a search warrant to get video from the Stanwood Wells Fargo.

Sgt. Gilje recently investigated cases involving the same female suspects associated with theft of credit/debit card(s) from a locker at the Stanwood YMCA and from an unsecured vehicle at the Stanwood Fair.

Detective Martin is collecting evidence from other jurisdictions to include in a charging referral on this case.

October 2024

Stanwood Camano School District SCHOOL RESOURCE OFFICER

HOMECOMING 2024

The week of October 14th through the 18th was Homecoming week for Stanwood High School. On Friday, students were out of school but attended the Homecoming Parade in downtown Stanwood. It was a great parade with many spectators in attendance. Friday night's Homecoming game vs Marysville Getchell was a blowout, with Stanwood beating Getchell 56-0. Saturday evening was the annual Homecoming dance held at Stanwood High. Staff and chaperones did a great job putting on the dance, and the kids appeared to all have a great time.

Halloween

Students and staff took part in this years costume festivities. It was a great day of costumes and candy

Statebound!

Stanwood football ended the season with a crossover game vs Meadowdale. Stanwood won big and is now moving on to State.

OCTOBER 2024

The following pages cover incidents data. This is also known as calls for service. If 30 people call because there's a wreck in front of Haggens, it counts here once.
