## COMPSTAT REPORT

### What is CompStat?

CompStat stands for 'Computer Statistics' dealing specifically with crime. It is found to be an effective way to accurately track crime and use the information to deploy officers to address it in timely manner. It is a performance management system that is used to reduce crime and achieve other police department goals. It emphasizes information-sharing, responsibility and accountability and improving effectiveness.

### What is the benefit to the community?

CompStat allows us to track crime problems and allocate resources to the areas that are being affected. By being able to focus our efforts on areas being impacted, we are able to make apprehensions and drive down crime in Stanwood.

### How is data collected?

Crime Analysts access a variety of systems to collect and analyze law enforcement data. Data collection begins at the 911 call center (SNO911) and carries over into law enforcement records management systems (LERMS). Much of the information presented in this report is also reported to state and federal agencies annually.

### What data will you see in this report?

***What occurred within the city limits of Stanwood and calls responded to by the Stanwood Police outside the city.***

This is a true representation of all police activity occurring in the City of Stanwood, you will see these calls listed as "In the STW Beat". On occasion, Stanwood Police officers will be called outside the city to assist other agencies. We also have deputies who live outside of the city so on occasion they will make a traffic stop or respond to a nearby call while commuting to work. You will see these call listed as "Answered by STW ORI"

#### ***Incident data:***

This represents what police were called to and includes self-initiated activity. Multiple 911 calls for the same incident are presented as a single incident.

#### ***Case data:***

An incident becomes a case when the deputy determines reporting protocol is met. A case is often generated based on a specific crime, traffic collisions, arrest or the need to document specific actions or information.

# Stanwood Police Department

## POLICE STAFFING

The City of Stanwood contracts for law enforcement services through the Snohomish County Sheriff's Office. The contract is identified as a "stand alone" contract, which allows the City of Stanwood to maintain its own police identity to include policies and procedures that meet unique small city needs. All uniforms and vehicles are identified as Stanwood Police and we provide services to the city population of approximately 8,405.

### DIVISIONS:

**CHIEF OF POLICE:** Has the rank of Lieutenant with the Sheriff's Office. Oversees all aspects of the Police Department daily operations. The Chief works with city staff to ensure community needs are met.

**ADMINISTRATIVE SERGEANT:** Administers the day-to-day administrative functions of the Police Department and oversees the day shift deputies, School Resource Officer and Detective. Steps in as the Chief of Police when the chief is absent.

**NIGHT SERGEANT:** Oversees the swing shift and night shift deputies.

**PATROL DIVISION:** Responds to crimes in progress, traffic collisions, missing persons, and other emergency and non-emergency calls for service.

**SCHOOL RESOURCE OFFICER:** Utilizes the concept of educator, informal counselor, and law enforcer; working to bridge the gap and build relationships between law enforcement and youth.

**DETECTIVE:** Works in conjunction with patrol and the resources of the Snohomish County Sheriff's Office to investigate a broad range of felony- and misdemeanor-level crimes that occurred in the City of Stanwood.

	ASSIGNED	VACANCIES	PERCENTAGE
Chief	1	0	100%
Sergeant	2	0	100%
Deputy	6	0	100%
School Resource Officer <small>No longer a PD employee - SCSO contract</small>	1	0	100%
Detective	1	0	100%

## RECORDS UNIT

**Records Summary:** Job duties include, but are not limited to, the following;

- Provide administrative support for all members of the Stanwood Police Department.
- Assist the Chief of Police with police budget tracking and review.
- Verify and code all incoming invoices for the Police Department.
- Ordering of supplies for the department, and special events.
- Subject matter expert for the Law Enforcement Records Management System (LERMS) used by Stanwood Police Department.
- Manage all Stanwood Police Department documents and records.
- Review all electronic case file entries and information for accuracy.
- Scan paper records into electronic case files.
- Forward criminal arrest referrals to the Prosecuting Attorney's Office.
- Enter trespass notices, gun alerts, and other safety alerts into the agency's electronic records management system.
- Route Child Protective Services & Adult Protective Service referrals.
- Maintain department case file and document archives per Washington State records retention/destruction schedules.
- Responsible for federal reporting of crime statistics to the National Incident Based Reporting System (NIBRS).
- Run monthly case audits and records validations.
- Enter court orders, missing persons, vehicle impounds, lost or stolen property, stolen vehicles, etc. into Washington Crime Information Center and National Crime Information Center (WACIC/NCIC).
- Provide second checks for all entries made into Washington Crime Information Center and National Crime Information Center (WACIC/NCIC).
- Conduct background checks for concealed pistol license and pistol transfers applications.
- Provide fingerprint services for concealed pistol license applicants and citizen fingerprints.
- Review and fulfill public records requests within the guidelines of the Public Records Act.
- Create/update/maintain all process, procedure, and training manuals for the position.
- Serve as Stanwood Police Department's Terminal Agency Coordinator for the Washington State Patrol ACCESS program.
- Assists with walk-in and telephone customers, averaging 8,000 yearly contacts.
- Route calls to 911 and non-emergency dispatch.
- Respond to requests for service and answer general questions.
- Manage key & key fob assignments for City of Stanwood employees.

## Message from the Chief

This year has flown by and its hard to believe Christmas is only a few weeks away. I had the pleasure of speaking at the Stanwood Commerce Alliance and meeting several great business owners. I enjoy these as I get to talk about our great community and all the support the police department has. This month you will see Stanwood officers participating in the Stanwood Christmas Tree Lighting on December 7<sup>th</sup> and the rescheduled Coffee with a Cop on December 18<sup>th</sup>.

Our SPIDR Tech system is an online/mobile customer service survey that goes to 911 users. Stanwood Officers for the last several years have received overwhelming positive ratings with last year Stanwood officers earning an 88% on professionalism and service. This past month a new SPIDR Tech feature was enabled allowing 911 users to leave a comment instead of just a ranking. In November we received several comments about our officers.

1. Thanks for arriving so quickly to help with the issue!
2. I called the non-emergency line and the person on the other end was very helpful! I found my keys at home and not in Stanwood! Thank you!
3. Considering it was Sunday, they did a great job.
4. She was a great officer.
5. Officer who assisted exhibited a high level of care and concern.
6. Even though it was peak time for traffic (2:40) p.m. and my fender/bender almost on bridge, officer was able to squeeze to my car and still present as professional, kind. I thought it was admirable.
7. I just want safe streets for residents to drive on. And I appreciate all that police officers do in their job daily.
8. Fast response and hope they got the bad guy.
9. I didn't call 911 I called the business line because it wasn't an emergency. But there was some confusion they thought it was Everett area I was talking about but it was Stanwood, so they call Stanwood then I was contacted by the police and they took care of it and they were very nice. It was about a dog.
10. The Chief gave me EXCELLENT care, going well beyond my expectations. I sincerely thank her for her service. A+++++++

### **Blue Bridge Alliance**

I am so appreciative of all the community support for this program that has outfitted our officers with prepaid debit cards to help those in need. In late November, we received our debits cards and trained our officers on their use. With-in a few days of being issued they have already made a difference. Several weeks ago, a homeless gentlemen "Michael" came into town and was living out of his vehicle. Michael would move from one parking to another until he was asked to leave. When Officer Kargopoltsev contacted him there was no sign of drug use, he had not committed any crimes in town, and was just going through a rough family situation. Michael stated he was looking for work and was hoping to leave town for greener and warmer pastures. Deputy Kargopoltsev was able to buy Michael some gas to get him to his next job and hopefully on a path to success.

*Chief Toner*

## Detective Report

### Update

#### Stanwood Police Case 2022-736 Vehicle Prowl

During the early morning hours of 01-28-2022 a male subject entered a secure condominium parking area after defeating a lock with a knife. The male went through vehicles inside the parking garage, stole items from storage bins and lockers, and prowled a vehicle parked outside the building. The vehicle's owner reported a firearm missing but could not say when he last saw the gun in the car.

The subject was identified after Detective Martin shared surveillance video images with area law enforcement.

The subject was also involved in a vehicle prowling at an apartment complex in south Everett.

On 04-25-2022 Detective Martin referred the charge of Vehicle Prowling Second Degree to the Prosecutor's Office.

On 11-18-2024 Detective Martin received notice from the Prosecutor's Office the case was being declined for charging because the State did not file charges within the necessary statute of limitation.

# Stanwood Camano School District SCHOOL RESOURCE OFFICER

## VETERANS DAY

On November 8th, Stanwood Camano Schools celebrated Veterans Day with several assemblies and community gatherings. I spoke at Stanwood High School, along with retired Navy Chaplain Captain John Swanson, and Navy Captain Doug Ten Hoopen. The National Anthem was sung by Bailey Winter and the SHS Jazz Choir sang Tom Petty's "I Won't Back Down". It was a great ceremony and all the students were well-behaved.

## Blood Drive

November 7th was the SHS annual blood drive. Several staff and students donated.

## CLUE

Stanwood High's Theatre Department performed their play "Clue" November 15th, 16th, and 22nd and 23rd. The play received great reviews from staff, students and the community.
