Call to order at 5:35 pm

Agenda Items:

Selection of Public Works Committee Chair:

- Committee member Metz nominated committee member Robb, seconded by committee member Bergman and chair position accepted by committee member Robb.

Discussion items:

- City Engineer, Alan Lytton, presented the committee with the alignment of proposed sidewalk on the west side of 72nd Ave continuing on the north side of 272nd St NW. Alan explained a slight jog in the alignment and the need to obtain ROW. The committee was in approval of the proposed alignment and asked Alan to proceed with design.
- Alan presented to the committee the plan for an overlay on 80th Ave NW from 279th Pl NW north to approximately 283rd St NW. The project will also include sidewalk from 283rd St NW north to the entrance into Chandler's Reserve.
- Alan presented the committee with a proposal to construct a pump track at Heritage Park. The proposal was to contract with American Ramp Company through the National Joint Powers Alliance (NJPA) to design and construct the track. The committee agreed with this arrangement and asked Alan to bring a contract to full Council.
- Alan presented the committee with a draft Request for Proposal (RFP) to be sent out soliciting the design and installation of playground equipment at Heritage Park. The committee was in support of sending out an RFP.
