Stanwood Police Department CompStat Report

City of Stanwood Police Chief Jason Toner

Prepared by: Snohomish County Sheriff Office Crime Analysis Unit and Stanwood Police Department

JANUARY 2025

Stanwood Police Department

COMPSTAT REPORT

What is CompStat?

CompStat stands for 'Computer Statistics' dealing specifically with crime. It is found to be an effective way to accurately track crime and use the information to deploy officers to address it in timely manner. It is a performance management system that is used to reduce crime and achieve other police department goals. It emphasizes information-sharing, responsibility and accountability and improving effectiveness.

What is the benefit to the community?

CompStat allows us to track crime problems and allocate resources to the areas that are being affected. By being able to focus our efforts on areas being impacted, we are able to make apprehensions and drive down crime in Stanwood.

How is data collected?

Crime Analysts access a variety of systems to collect and analyze law enforcement data. Data collection begins at the 911 call center (SNO911) and carries over into law enforcement records management systems (LERMS). Much of the information presented in this report is also reported to state and federal agencies annually.

What data will you see in this report?

What occurred within the city limits of Stanwood and calls responded to by the Stanwood Police outside the city.

This is a true representation of all police activity occurring in the City of Stanwood, you will see these calls listed as "In the STW Beat". On occasion, Stanwood Police officers will be called outside the city to assist other agencies. We also have deputies who live outside of the city so on occasion they will make a traffic stop or respond to a nearby call while commuting to work. You will see these call listed as "Answered by STW ORI"

Incident data:

This represents what police were called to and includes self-initiated activity. Multiple 911 calls for the same incident are presented as a single incident.

Case data:

An incident becomes a case when the deputy determines reporting protocol is met. A case is often generated based on a specific crime, traffic collisions, arrest or the need to document specific actions or information.

FEBRUARY 2025

Stanwood Police Department

POLICE STAFFING

The City of Stanwood contracts for law enforcement services through the Snohomish County Sheriff's Office. The contract is identified as a "stand alone" contract, which allows the City of Stanwood to maintain its own police identity to include policies and procedures that meet unique small city needs. All uniforms and vehicles are identified as Stanwood Police and we provide services to the city population of approximately 8,405.

DIVISIONS:

CHIEF OF POLICE: Has the rank of Lieutenant with the Sheriff's Office. Oversees all aspects of the Police Department daily operations. The Chief works with city staff to ensure community needs are met.

ADMINISTRATIVE SERGEANT: Administers the day-to-day administrative functions of the Police Department and oversees the day shift deputies, School Resource Officer and Detective. Steps in as the Chief of Police when the chief is absent.

NIGHT SERGEANT: Oversees the swing shift and night shift deputies.

PATROL DIVISION: Responds to crimes in progress, traffic collisions, missing persons, and other emergency and non-emergency calls for service.

SCHOOL RESOURCE OFFICER: Utilizes the concept of educator, informal counselor, and law enforcer; working to bridge the gap and build relationships between law enforcement and youth.

DETECTIVE: Works in conjunction with patrol and the resources of the Snohomish County Sheriff's Office to investigate a broad range of felony- and misdemeanor-level crimes that occurred in the City of Stanwood.

	ASSIGNED	VACANCIES	PERCENTAGE
Chief	1	0	100%
Sergeant	2	0	100%
Deputy	5	0	83.5%
School Resource Officer No longer a PD employee - SCSO contract	1	0	100%
Detective	1	0	100%

FEBRUARY 2025

Stanwood Police Department

RECORDS UNIT

Records Summary: Job duties include, but are not limited to, the following;

- Provide administrative support for all members of the Stanwood Police Department.
- Assist the Chief of Police with police budget tracking and review.
- Verify and code all incoming invoices for the Police Department.
- Ordering of supplies for the department, and special events.
- Subject matter expert for the Law Enforcement Records Management System (LERMS) used by Stanwood Police Department.
- Manage all Stanwood Police Department documents and records.
- Review all electronic case file entries and information for accuracy.
- Scan paper records into electronic case files.
- Forward criminal arrest referrals to the Prosecuting Attorney's Office.
- Enter trespass notices, gun alerts, and other safety alerts into the agency's electronic records management system.
- Route Child Protective Services & Adult Protective Service referrals.
- Maintain department case file and document archives per Washington State records retention/destruction schedules.
- Responsible for federal reporting of crime statistics to the National Incident Based Reporting System (NIBRS).
- Run monthly case audits and records validations.
- Enter court orders, missing persons, vehicle impounds, lost or stolen property, stolen vehicles, etc. into Washington Crime Information Center and National Crime Information Center (WACIC/NCIC).
- Provide second checks for all entries made into Washington Crime Information Center and National Crime Information Center (WACIC/NCIC).
- Conduct background checks for concealed pistol license and pistol transfers applications.
- Provide fingerprint services for concealed pistol license applicants and citizen fingerprints.
- Review and fulfill public records requests within the guidelines of the Public Records Act.
- Create/update/maintain all process, procedure, and training manuals for the position.
- Serve as Stanwood Police Department's Terminal Agency Coordinator for the Washington State Patrol ACCESS program.
- Assists with walk-in and telephone customers, averaging 8,000 yearly contacts.
- Route calls to 911 and non-emergency dispatch.
- Respond to requests for service and answer general questions.
- Manage key & key fob assignments for City of Stanwood employees.

FEBRUARY 2025

Stanwood Police Department

Message from the Chief

I am truly grateful for the return of warmer weather and the opportunity to enjoy some sunshine and finally dig the shorts and T-shirts out of the closet. Additionally, I would like heartfelt congratulate Levi Stiers for securing back-to-back state swimming championships and to the Stanwood Girls Basketball team for earning the #4 seed in the State Tournament.

FLOCK Safety Camera Update

We are pleased to announce that our Flock safety camera system is now operational. Currently, 11 of the 14 cameras are active, with the remaining three awaiting right-of-way agreements and county code updates. Two of these cameras are expected to be operational within the next few weeks, while the final camera should be in place within the next couple of months. Per our agreement with Flock, the final 25% payment will not be due until all cameras are fully functional. Detective Martin has already leveraged the Flock system to successfully resolve two theft cases at local businesses (see his report), and we anticipate more success stories in the future. I would like to take this opportunity to thank the Mayor, City Council, and City Staff for their commitment to investing in technology that enhances the safety and security of our community.

Department of Justice & Immigration

There have been several inquiries regarding Stanwood PD's stance on immigration enforcement and whether local police agencies assist ICE with deportations. My priority remains fostering trust within our community while ensuring accountability for individuals who pose a threat to public safety.

In 2019 Washington State enacted the Keep Washington Working Act (KWW), which prohibits local law enforcement from:

- Assisting with civil immigration enforcement
- Inquiring about immigration status unless it is necessary for a criminal investigation
- Sharing non-public personal information with federal immigration authorities

Stanwood PD remains dedicated to keeping our residents and businesses safe while continuing to provide excellent service to the community.

Legislative Update

Last month I had the opportunity to travel to Olympia to meet with our legislators and discuss issues impacting our community. This marked my first visit to the state capital—apparently, I must have missed the elementary school field trip! During my visit, I spoke with Senator Muzzall and Representatives Paul and Shavers. Each of them expressed strong support for Stanwood's efforts to relocate our police department out of the floodplain.

FEBRUARY 2025

Stanwood Police Department

Detective Report

Stanwood Police Case 2025-656 and 2025-1420

On 01-29-2025 Deputy Hall sent an e-mail to deputies requesting to identify a woman involved in a theft at the Stanwood Country store on 01-25-2025. Deputy Hall's e-mail included images of the woman and the car she was driving. The images of the car showed a sticker on the top center of the rear window.

On 02-26-2025 Deputy Gutierrez sent an e-mail to deputies requesting to identify a woman involved in a theft at the Ladders Clothing store on 02-24-2025. The woman appeared to be the same person involved in the theft from the Country Store.

Detective Martin used the Stanwood Flock cameras to search for the suspect's vehicle on 02-24-2025 and found it on a camera located at 268 ST/Pioneer Hwy at 1456 hours. The captured image showed the vehicle's plate and the sticker on the rear window.

Local history associated with the license plate showed the vehicle involved in a theft at the Snohomish Kohl's on 10-07-2024. Snohomish deputies contacted the driver/registered owner and she admitted to stealing from Kohl's. Body worn camera images from the Snohomish case confirmed the identity of the suspect in the Stanwood cases.

Stanwood Camano School District

SCHOOL RESOURCE OFFICER

SPARTANS ADVANCE TO STATE QUARTERFINALS

On Friday, February 28th the #4 ranked Stanwood girls basketball team met up in Arlington to take on the Seattle Prep Panthers in round two of the state basketball tournament. The game started off close but the Spartans gained the lead and held onto it with great defensive play, and by making several key free-throws, winning 54-42. The Spartans will head to the Tacoma Dome on Wednesday March 5th to take on the winner of Garfield & White River.

INTERHIGH CONFERENCE 2025

On February 28th Stanwood High School hosted the 2025 WESCO Interhigh Leadership Conference. 18 area schools brought their leadership students together for a chance to learn, grow and build relationships together. The conference empowered students to create a culture of leadership and belonging in their schools.

RIDE TO SCHOOL WITH A COP

Twin City Elementary PTO held a silent auction during their bingo night on February 21st. One of the auction items was to win a ride to school with School Resource Officer Deputy Bud McCurry. The Kinghorn family won the auction and the kids got a ride to school on February 28th, complete with lights and sirens.

FEBRUARY 2025

The following pages cover incidents data. This is also known as calls for service. If 30 people call because there's a wreck in front of Haggens, it counts here once.
