## COMPSTAT REPORT

### What is CompStat?

CompStat stands for 'Computer Statistics' dealing specifically with crime. It is found to be an effective way to accurately track crime and use the information to deploy officers to address it in timely manner. It is a performance management system that is used to reduce crime and achieve other police department goals. It emphasizes information-sharing, responsibility and accountability and improving effectiveness.

### What is the benefit to the community?

CompStat allows us to track crime problems and allocate resources to the areas that are being affected. By being able to focus our efforts on areas being impacted, we are able to make apprehensions and drive down crime in Stanwood.

### How is data collected?

Crime Analysts access a variety of systems to collect and analyze law enforcement data. Data collection begins at the 911 call center (SNO911) and carries over into law enforcement records management systems (LERMS). Much of the information presented in this report is also reported to state and federal agencies annually.

### What data will you see in this report?

***What occurred within the city limits of Stanwood and calls responded to by the Stanwood Police outside the city.***

This is a true representation of all police activity occurring in the City of Stanwood, you will see these calls listed as "In the STW Beat". On occasion, Stanwood Police officers will be called outside the city to assist other agencies. We also have deputies who live outside of the city so on occasion they will make a traffic stop or respond to a nearby call while commuting to work. You will see these call listed as "Answered by STW ORI"

#### ***Incident data:***

This represents what police were called to and includes self-initiated activity. Multiple 911 calls for the same incident are presented as a single incident.

#### ***Case data:***

An incident becomes a case when the deputy determines reporting protocol is met. A case is often generated based on a specific crime, traffic collisions, arrest or the need to document specific actions or information.

## POLICE STAFFING

The City of Stanwood contracts for law enforcement services through the Snohomish County Sheriff's Office. The contract is identified as a "stand alone" contract, which allows the City of Stanwood to maintain its own police identity to include policies and procedures that meet unique small city needs. All uniforms and vehicles are identified as Stanwood Police and we provide services to the city population of approximately 8,405.

### DIVISIONS:

**CHIEF OF POLICE:** Has the rank of Lieutenant with the Sheriff's Office. Oversees all aspects of the Police Department daily operations. The Chief works with city staff to ensure community needs are met.

**ADMINISTRATIVE SERGEANT:** Administers the day-to-day administrative functions of the Police Department and oversees the day shift deputies, School Resource Officer and Detective. Steps in as the Chief of Police when the chief is absent.

**NIGHT SERGEANT:** Oversees the swing shift and night shift deputies.

**PATROL DIVISION:** Responds to crimes in progress, traffic collisions, missing persons, and other emergency and non-emergency calls for service.

**SCHOOL RESOURCE OFFICER:** Utilizes the concept of educator, informal counselor, and law enforcer; working to bridge the gap and build relationships between law enforcement and youth.

**DETECTIVE:** Works in conjunction with patrol and the resources of the Snohomish County Sheriff's Office to investigate a broad range of felony- and misdemeanor-level crimes that occurred in the City of Stanwood.

## Message from the Chief

The calendar says it's spring—even if the weather hasn't quite gotten the memo! Still, this is one of my favorite times of year. Baseball season is back (which likely means another “so close, yet frustrating” Mariners season), and I always look forward to the longer days.

### **Driving Under the Influence in Stanwood**

In 1979, Washington State modernized its Driving Under the Influence (DUI) rules into the laws we recognize today. Despite these advancements, DUI-related incidents—particularly collisions and fatalities—continue to rise. Fatal crashes involving impaired drivers increased from 226 in 2014 to 391 in 2023 (2024 data is not yet available).

Fortunately, Stanwood has not experienced a fatal collision in many years. However, DUI arrests have shown an upward trend: 12 in 2020, 15 in 2021, 9 in 2022, 10 in 2023, 18 in 2024, and 8 so far in 2025. In response to the growing number of DUI-related calls both locally and statewide, the Stanwood Police Department has prioritized DUI-focused training for its officers.

All Stanwood PD officers receive basic DUI training, and approximately half have completed ARIDE (Advanced Roadside Impaired Driving Enforcement) training. Additionally, Deputy Bonnell was certified as a Drug Recognition Expert (DRE) in 2024 and is scheduled to attend DUI instructor training in 2025.

The Stanwood Police Department will continue to conduct DUI emphasis patrols throughout the year, as maintaining the safety of our roadways remains a top priority.

### **Police Call of Note**

On March 11, 2025, Stanwood Police assisted the U.S. Marshals Service and the Snohomish County Violent Offender Task Force in arresting a fugitive from Utah. The suspect was wanted for Rape of a Child in the First Degree and was safely taken into custody.

### **Community Engagement**

I recently had the opportunity to speak with KIRO News radio about the addition of FLOCK Safety cameras in Stanwood. It was a great conversation highlighting the ways these cameras can enhance public safety and support our investigative efforts.

I also attended the Short Parade here in Stanwood. Despite a cold and rainy Saturday morning, I was impressed by the big turnout! The crowd's spirit wasn't dampened by the weather—though one person may have enjoyed the festivities a little too much and required medical attention after overindulging in alcohol.

## Detective Report

### Stanwood Police Cases

### 2025-175, 2025-90000096, and 2025-342

### ID Theft

On 01-06-2025, 01-08-2025, and 01-13-2025, wallets were stolen the from men's locker room at a local fitness center. Victim credit/debit cards were used for unauthorized purchases at area businesses.

Detective Martin collected video from numerous locations showing the same male associated with the unauthorized purchases, as well as his presence at the fitness center when the wallets were stolen.

Unfortunately, the male was wearing an ankle monitor on 01-06-2025. Geo-location information from the ankle monitor confirmed his presence at the fitness center during the time frame a wallet was stolen and at a Lowes store a short time later.

The male has been identified and Detective Martin will be referring charges to the Prosecutor's Office.

The male is currently staying at the Skagit County Jail on an unrelated matter.

## READ ACROSS AMERICA

On March 21st and March 22nd School Resource Officer Deputy Bud McCurry was invited to Cedarhome Elementary to read books to several classes. He read the books "We Are Going To Be Pals" and "The Little Wooden Robot and the Log Princess" to Ms. Wayland's, Ms. Rawls', Ms. Kelley's, and Ms. Qualley's 4th and 5th grade classes. After reading the books, Deputy McCurry opened it up to questions about his job and uniform. Afterward, Ms. Pappas heard about how well it went and invited Deputy McCurry to read to her 4th grade class on Monday March 31st. A great time was had by all and Deputy McCurry offered to come back any time to hang out with the kids.

## TOP 8 IN STATE!

On Friday March 7th, the Stanwood Girls Basketball team lost out to Kennewick in the 2025 State Tournament. While the tournament ended early for our Lady Spartans, it was an amazing season with several of our players being for All-Wesco teams. Thanks to our Stanwood Cheerleaders and Band for making the trip to cheer on our team.

## SQUIRT GUNS?

For some reason we have seen a rash of squirt gun usage at Stanwood High School. This is obviously improper behavior, but also many modern REAL handguns are colorful just like toy guns. Mr. Washington and the admin team have done a good job at issuing discipline for these incidents, and Deputy McCurry has been reaching out to parents to advise them how dangerous this can be.
