Stanwood Police Department CompStat Report

City of Stanwood Police Chief Jason Toner

Prepared by: Snohomish County Sheriff Office Crime Analysis Unit and Stanwood Police Department

APRIL 2025

Stanwood Police Department

COMPSTAT REPORT

What is CompStat?

CompStat stands for 'Computer Statistics' dealing specifically with crime. It is found to be an effective way to accurately track crime and use the information to deploy officers to address it in timely manner. It is a performance management system that is used to reduce crime and achieve other police department goals. It emphasizes information-sharing, responsibility and accountability and improving effectiveness.

What is the benefit to the community?

CompStat allows us to track crime problems and allocate resources to the areas that are being affected. By being able to focus our efforts on areas being impacted, we are able to make apprehensions and drive down crime in Stanwood.

How is data collected?

Crime Analysts access a variety of systems to collect and analyze law enforcement data. Data collection begins at the 911 call center (SNO911) and carries over into law enforcement records management systems (LERMS). Much of the information presented in this report is also reported to state and federal agencies annually.

What data will you see in this report?

What occurred within the city limits of Stanwood and calls responded to by the Stanwood Police outside the city.

This is a true representation of all police activity occurring in the City of Stanwood, you will see these calls listed as "In the STW Beat". On occasion, Stanwood Police officers will be called outside the city to assist other agencies. We also have deputies who live outside of the city so on occasion they will make a traffic stop or respond to a nearby call while commuting to work. You will see these call listed as "Answered by STW ORI"

Incident data:

This represents what police were called to and includes self-initiated activity. Multiple 911 calls for the same incident are presented as a single incident.

Case data:

An incident becomes a case when the deputy determines reporting protocol is met. A case is often generated based on a specific crime, traffic collisions, arrest or the need to document specific actions or information.

APRIL 2025

Stanwood Police Department

POLICE STAFFING

The City of Stanwood contracts for law enforcement services through the Snohomish County Sheriff's Office. The contract is identified as a "stand alone" contract, which allows the City of Stanwood to maintain its own police identity to include policies and procedures that meet unique small city needs. All uniforms and vehicles are identified as Stanwood Police and we provide services to the city population of approximately 8,405.

DIVISIONS:

CHIEF OF POLICE: Has the rank of Lieutenant with the Sheriff's Office. Oversees all aspects of the Police Department daily operations. The Chief works with city staff to ensure community needs are met.

ADMINISTRATIVE SERGEANT: Administers the day-to-day administrative functions of the Police Department and oversees the day shift deputies, School Resource Officer and Detective. Steps in as the Chief of Police when the chief is absent.

NIGHT SERGEANT: Oversees the swing shift and night shift deputies.

PATROL DIVISION: Responds to crimes in progress, traffic collisions, missing persons, and other emergency and non-emergency calls for service.

SCHOOL RESOURCE OFFICER: Utilizes the concept of educator, informal counselor, and law enforcer; working to bridge the gap and build relationships between law enforcement and youth.

DETECTIVE: Works in conjunction with patrol and the resources of the Snohomish County Sheriff's Office to investigate a broad range of felony- and misdemeanor-level crimes that occurred in the City of Stanwood.

	ASSIGNED	VACANCIES	PERCENTAGE
Chief	1	0	100%
Sergeant	2	0	100%
Deputy	5	1	83.5%
School Resource Officer <small>No longer a PD employee - SCSO contract</small>	1	0	100%
Detective	1	0	100%

APRIL 2025

Stanwood Police Department

RECORDS UNIT

Records Summary: Job duties include, but are not limited to, the following;

- Provide administrative support for all members of the Stanwood Police Department.
- Assist the Chief of Police with police budget tracking and review.
- Verify and code all incoming invoices for the Police Department.
- Ordering of supplies for the department, and special events.
- Subject matter expert for the Law Enforcement Records Management System (LERMS) used by Stanwood Police Department.
- Manage all Stanwood Police Department documents and records.
- Review all electronic case file entries and information for accuracy.
- Scan paper records into electronic case files.
- Forward criminal arrest referrals to the Prosecuting Attorney's Office.
- Enter trespass notices, gun alerts, and other safety alerts into the agency's electronic records management system.
- Route Child Protective Services & Adult Protective Service referrals.
- Maintain department case file and document archives per Washington State records retention/destruction schedules.
- Responsible for federal reporting of crime statistics to the National Incident Based Reporting System (NIBRS).
- Run monthly case audits and records validations.
- Enter court orders, missing persons, vehicle impounds, lost or stolen property, stolen vehicles, etc. into Washington Crime Information Center and National Crime Information Center (WACIC/NCIC).
- Provide second checks for all entries made into Washington Crime Information Center and National Crime Information Center (WACIC/NCIC).
- Conduct background checks for concealed pistol license and pistol transfers applications.
- Provide fingerprint services for concealed pistol license applicants and citizen fingerprints.
- Review and fulfill public records requests within the guidelines of the Public Records Act.
- Create/update/maintain all process, procedure, and training manuals for the position.
- Serve as Stanwood Police Department's Terminal Agency Coordinator for the Washington State Patrol ACCESS program.
- Assists with walk-in and telephone customers, averaging 8,000 yearly contacts.
- Route calls to 911 and non-emergency dispatch.
- Respond to requests for service and answer general questions.
- Manage key & key fob assignments for City of Stanwood employees.

APRIL 2025

Stanwood Police Department

Message from the Chief

Looking at the current forecast for the month of May it looks like we start out with a large dose of sunshine, which will be much appreciated. May means we are in “full swing” literally. Both the Stanwood HS boy’s baseball and girls’ softball teams are highly ranked. Even the Mariners are playing surprisingly well, so take the opportunity to enjoy some sun and take in a game.

New Radios:

For the last several years Snohomish County 911 (Sno911) has been working on replacing a very antiquated radio system, and in May all Snohomish County Fire and Police agencies will be switching to an all-new digital system.

Sno911 serves 44 fire, EMS, and law enforcement departments and maintains critical mutual aid partnerships with neighboring counties and the Washington State Patrol. These agencies are responsible for providing service to over 844,000 residents, 20,000+ businesses, and 300+ schools, hospitals, and government facilities across more than 2,200 square miles.

This monumental task was hampered by an obsolete communication system which was outdated, unsupported by manufactures, vulnerable to cyber-attacks, and limited coverage in rural parts of the county. Technicians were forced to scour eBay in the hopes of finding replacement parts

In response, the Snohomish County Radio Replacement Project was launched to overhaul the entire system with modern digital infrastructure. This included deploying 5,000 encrypted, Wi-Fi-enabled digital radios, upgrading 22 radio sites (including two new towers, one being in North Stanwood, providing better coverage to the Stanwood-Camano area), and strengthening infrastructure with geo-redundant controllers and backup power.

Snohomish County law enforcement agencies made the decision to encrypt all police radio channels. SNO911 is exploring a delayed feed for public access to prevent criminals from using real-time scanner apps to track officer movements and commit crimes. Police radio traffic often includes sensitive operational details and personal information, and encryption is essential to protect both officer and public safety.

Staffing Updates:

Due several different factors the Sheriff’s Office is experiencing higher than normal staffing vacancies. This has resulted in Stanwood being down one officer since March and it is undetermined when this vacancy will be filled. In good news Sgt. Korede Oyetuga will be rejoining Stanwood PD on May 1st as our patrol supervisor.

Chief Toner

Detective Report

Stanwood Police Case 2025-582

Forgery and Identity Theft

On 01-20-2025 a man passed a forged BECU check at the Haggen store. On 01-22-2025 the man attempted to pass a forged check on the same BECU account, but an employee recognized him from the previous encounter and declined to accept the check. A female companion paid for the items with a credit card.

Deputy Gutierrez and Detective Martin determined the person whose name was listed on the check, lost his wallet in a Walmart parking lot in December 2024, and was the victim of Identity Theft.

On 01-29-2025 Lake Stevens Police conducted a traffic stop and contacted the male driver. The male was found in possession of driver licenses bearing his photo and other people's names. A name on one of the fake driver licenses matched the name on the forged check in this case. Lake Stevens Police also found blank BECU checks bearing the names of the Identity Theft victim and the actual account holder.

The man admitted to altering and forging stolen checks and using them at area businesses. The man said he "scrapes them" when describing the process of altering the checks.

Lake Stevens Police referred charges to the Prosecutor's Office to include the suspect's crimes in Stanwood.

APRIL 2025

Stanwood Camano School District SCHOOL RESOURCE OFFICER

BLOOM'N PLANT SALE!

The Bloom'n Plants sale is in full swing at Stanwood High School. Stanwood High's Greenhouse Production and Horticultural Science classes have been working hard during the school year to grow many types of plants. There will be annuals, perennials, vegetable starts, herbs and flower baskets for sale. Plants are grown using all organic materials and methods. The monies made from the sale goes directly back toward the programs. The sale runs from the last week in April through the first week of May. Hours are from 2:30pm to 5:30pm On Wednesdays, Thursdays, and Fridays... and 10am to 2pm on Saturdays.

Baseball

The Spartan Baseball team continues to dominate with a 16 and 3 record. Junior Tanner Requa was chosen as the April 15th Athlete of the week by Stanwood Camano News. Requa threw an amazing no-hitter vs. Edmonds Woodway on April 4th, winning the game 2-0.

Softball

The Stanwood High School Softball team is off to an equally impressive, dominating start. The girls are currently 13-2 on the season. Senior Megan Stulc has been a force on the mound, leading the Spartan ladies to several big wins.

APRIL 2025

The following pages cover incidents data. This is also known as calls for service. If 30 people call because there's a wreck in front of Haggens, it counts here once.
