## COMPSTAT REPORT

### What is CompStat?

CompStat stands for 'Computer Statistics' dealing specifically with crime. It is found to be an effective way to accurately track crime and use the information to deploy officers to address it in timely manner. It is a performance management system that is used to reduce crime and achieve other police department goals. It emphasizes information-sharing, responsibility and accountability and improving effectiveness.

### What is the benefit to the community?

CompStat allows us to track crime problems and allocate resources to the areas that are being affected. By being able to focus our efforts on areas being impacted, we are able to make apprehensions and drive down crime in Stanwood.

### How is data collected?

Crime Analysts access a variety of systems to collect and analyze law enforcement data. Data collection begins at the 911 call center (SNO911) and carries over into law enforcement records management systems (LERMS). Much of the information presented in this report is also reported to state and federal agencies annually.

### What data will you see in this report?

***What occurred within the city limits of Stanwood and calls responded to by the Stanwood Police outside the city.***

This is a true representation of all police activity occurring in the City of Stanwood, you will see these calls listed as "In the STW Beat". On occasion, Stanwood Police officers will be called outside the city to assist other agencies. We also have deputies who live outside of the city so on occasion they will make a traffic stop or respond to a nearby call while commuting to work. You will see these call listed as "Answered by STW ORI"

#### ***Incident data:***

This represents what police were called to and includes self-initiated activity. Multiple 911 calls for the same incident are presented as a single incident.

#### ***Case data:***

An incident becomes a case when the deputy determines reporting protocol is met. A case is often generated based on a specific crime, traffic collisions, arrest or the need to document specific actions or information.

# Stanwood Police Department

## POLICE STAFFING

The City of Stanwood contracts for law enforcement services through the Snohomish County Sheriff's Office. The contract is identified as a "stand alone" contract, which allows the City of Stanwood to maintain its own police identity to include policies and procedures that meet unique small city needs. All uniforms and vehicles are identified as Stanwood Police and we provide services to the city population of approximately 8,405.

### DIVISIONS:

**CHIEF OF POLICE:** Has the rank of Lieutenant with the Sheriff's Office. Oversees all aspects of the Police Department daily operations. The Chief works with city staff to ensure community needs are met.

**ADMINISTRATIVE SERGEANT:** Administers the day-to-day administrative functions of the Police Department and oversees the day shift deputies, School Resource Officer and Detective. Steps in as the Chief of Police when the chief is absent.

**NIGHT SERGEANT:** Oversees the swing shift and night shift deputies.

**PATROL DIVISION:** Responds to crimes in progress, traffic collisions, missing persons, and other emergency and non-emergency calls for service.

**SCHOOL RESOURCE OFFICER:** Utilizes the concept of educator, informal counselor, and law enforcer; working to bridge the gap and build relationships between law enforcement and youth.

**DETECTIVE:** Works in conjunction with patrol and the resources of the Snohomish County Sheriff's Office to investigate a broad range of felony- and misdemeanor-level crimes that occurred in the City of Stanwood.

	ASSIGNED	VACANCIES	PERCENTAGE
Chief	1	0	100%
Sergeant	2	0	100%
Deputy	5	1	83.5%
School Resource Officer <small>No longer a PD employee - SCSO contract</small>	1	0	100%
Detective	1	0	100%

## RECORDS UNIT

**Records Summary:** Job duties include, but are not limited to, the following;

- Provide administrative support for all members of the Stanwood Police Department.
- Assist the Chief of Police with police budget tracking and review.
- Verify and code all incoming invoices for the Police Department.
- Ordering of supplies for the department, and special events.
- Subject matter expert for the Law Enforcement Records Management System (LERMS) used by Stanwood Police Department.
- Manage all Stanwood Police Department documents and records.
- Review all electronic case file entries and information for accuracy.
- Scan paper records into electronic case files.
- Forward criminal arrest referrals to the Prosecuting Attorney's Office.
- Enter trespass notices, gun alerts, and other safety alerts into the agency's electronic records management system.
- Route Child Protective Services & Adult Protective Service referrals.
- Maintain department case file and document archives per Washington State records retention/destruction schedules.
- Responsible for federal reporting of crime statistics to the National Incident Based Reporting System (NIBRS).
- Run monthly case audits and records validations.
- Enter court orders, missing persons, vehicle impounds, lost or stolen property, stolen vehicles, etc. into Washington Crime Information Center and National Crime Information Center (WACIC/NCIC).
- Provide second checks for all entries made into Washington Crime Information Center and National Crime Information Center (WACIC/NCIC).
- Conduct background checks for concealed pistol license and pistol transfers applications.
- Provide fingerprint services for concealed pistol license applicants and citizen fingerprints.
- Review and fulfill public records requests within the guidelines of the Public Records Act.
- Create/update/maintain all process, procedure, and training manuals for the position.
- Serve as Stanwood Police Department's Terminal Agency Coordinator for the Washington State Patrol ACCESS program.
- Assists with walk-in and telephone customers, averaging 8,000 yearly contacts.
- Route calls to 911 and non-emergency dispatch.
- Respond to requests for service and answer general questions.
- Manage key & key fob assignments for City of Stanwood employees.

## Message from the Chief

Being selected as Police for the City of Stanwood was a proud moment for me, and definitely a milestone in my career. I am looking forward to working with city leaders, community members, and area partners in providing public safety, transparency, and building trust. I have spent the first couple of weeks getting to know the day-to-day operations and trying to learn everyone's name and what they are responsible for. "I'm not as good at it as I once was, but I'm as good once as I ever was."

With a new face always comes a lot of questions about what is important and what changes need to be made. I want to make sure I hear from everyone and listen to their concerns and what they believe priorities should be. In the coming month I will be making an effort to meet with key stakeholders to introduce myself and learn what is important to them.

Some of my priorities for the police department will be proactive policing, traffic safety, education and enforcement, and officer wellness. When I talk about proactive policing, I want to see deputies driving through the city streets, in neighborhoods, being a presence and being seen. This can act as a deterrent to crime as well as afford the opportunity for the public to see that we are here. I also want them to address traffic safety concerns like speeding in high traffic areas throughout the city. A good balance of education versus enforcement is prudent as not everyone needs a ticket but sometimes it is necessary. With officer wellness being at the forefront of police work, I want to make sure we have the right tools, equipment, and support that we need to keep everyone healthy in their minds and bodies.

Lastly, I would be remiss if I didn't mention what a heart pounding great month of SEAHAWKS football. From beating that team from the bay whose name we don't mention, and on to defeating a division rival in a heart attack inducing back and forth game. Winning the NFC Championship!

GO HAWKS!

On to the Superbowl!

Chief DeWitt

## Detective Report

### Stanwood Case 2023-524 Theft Update

In January and February of 2023, a subject who claimed to be a buyer from Safeway (Albertsons Inc.) communicated with a seafood supplier in San Francisco via e-mail. The subject provided fake purchase orders for several hundred thousand dollars of crab. The victim released two shipments of product from a cold storage facility in Stanwood before realizing the purchase orders were fake.

Agents from Homeland Security Investigations participated in the investigation and eventually identified the suspect as a male living in Florida.

On 01-21-2026 Detective Martin learned the subject was arrested in Florida and was being transported to Seattle to stand trial in federal court sometime this year.

Detective Martin will be meeting with the Assistant United States Attorney sometime in the next couple of months to prepare for trial.

### Stanwood Case 2023-7363 Theft Update

While acting as a representative of a local business between December 2021 and June 2023, a subject sold items from the business's inventory and collected customer payments using his personal PayPal account and used a company credit card for personal purchases totaling more than \$40,000.00.

The defendant was charged with Identity Theft First Degree and Theft First Degree. The case is scheduled for trial in May 2026.

# Stanwood Camano School District SCHOOL RESOURCE OFFICER

## Community Safety Forum

On January 28th, the Stanwood Camano School District held another Community Safety Forum at Stanwood High School. Superintendent Ryan Ovenell greeted the attendees in the Performing Arts Center, and hosted a screening of the 2016 documentary series "Screenagers". After the documentary showing, a debrief was held and participants asked questions and shared thoughts on our youth in this digital age. Deputy McCurry held a breakout session to go over school safety and security, and the process that takes place when an incident happens in our schools.

## 2026 Country Living Expo

Stanwood High School in partnership with WSU held their 2026 Country Living Expo on 1/31/26. WSU Professors, industry professionals and even students led the various teaching blocks. Over 1000 were in attendance.

## Blood Drive

On 1/30/26 Bloodworks Northwest came to Stanwood High School to accept donations. Teacher Matt Brennan organized the event that was attended by staff and students. The event was well put

together and all attendees appeared to have a good time. Bloodworks staff was highly professional and provided snacks and drinks to donors after they completed their donations.
