COMPSTAT REPORT

What is CompStat?

CompStat stands for 'Computer Statistics' dealing specifically with crime. It is found to be an effective way to accurately track crime and use the information to deploy officers to address it in timely manner. It is a performance management system that is used to reduce crime and achieve other police department goals. It emphasizes information-sharing, responsibility and accountability and improving effectiveness.

What is the benefit to the community?

CompStat allows us to track crime problems and allocate resources to the areas that are being affected. By being able to focus our efforts on areas being impacted, we are able to make apprehensions and drive down crime in Stanwood.

How is data collected?

Crime Analysts access a variety of systems to collect and analyze law enforcement data. Data collection begins at the 911 call center (SNO911) and carries over into law enforcement records management systems (LERMS). Much of the information presented in this report is also reported to state and federal agencies annually.

What data will you see in this report?

What occurred within the city limits of Stanwood and calls responded to by the Stanwood Police outside the city.

This is a true representation of all police activity occurring in the City of Stanwood, you will see these calls listed as "In the STW Beat". On occasion, Stanwood Police officers will be called outside the city to assist other agencies. We also have deputies who live outside of the city so on occasion they will make a traffic stop or respond to a nearby call while commuting to work. You will see these call listed as "Answered by STW ORI"

Incident data:

This represents what police were called to and includes self-initiated activity. Multiple 911 calls for the same incident are presented as a single incident.

Case data:

An incident becomes a case when the deputy determines reporting protocol is met. A case is often generated based on a specific crime, traffic collisions, arrest or the need to document specific actions or information.

POLICE STAFFING

The City of Stanwood contracts for law enforcement services through the Snohomish County Sheriff's Office. The contract is identified as a "stand alone" contract, which allows the City of Stanwood to maintain its own police identity to include policies and procedures that meet unique small city needs. All uniforms and vehicles are identified as Stanwood Police and we provide services to the city population of approximately 8,405.

DIVISIONS:

CHIEF OF POLICE: Has the rank of Lieutenant with the Sheriff's Office. Oversees all aspects of the Police Department daily operations. The Chief works with city staff to ensure community needs are met.

ADMINISTRATIVE SERGEANT: Administers the day-to-day administrative functions of the Police Department and oversees the day shift deputies, School Resource Officer and Detective. Steps in as the Chief of Police when the chief is absent.

NIGHT SERGEANT: Oversees the swing shift and night shift deputies.

PATROL DIVISION: Responds to crimes in progress, traffic collisions, missing persons, and other emergency and non-emergency calls for service.

SCHOOL RESOURCE OFFICER: Utilizes the concept of educator, informal counselor, and law enforcer; working to bridge the gap and build relationships between law enforcement and youth.

DETECTIVE: Works in conjunction with patrol and the resources of the Snohomish County Sheriff's Office to investigate a broad range of felony- and misdemeanor-level crimes that occurred in the City of Stanwood.

Message from the Chief

On February 1st the Sheriff's Office bid change took place. This is a process that happens every year in February. As a result, three Deputies left Stanwood Police and three new rotated in. Deputy Tim Lewis has 2 years with SCSO and came to us from North day shift patrol and is working days in Stanwood. Deputy Michael Flolid has 9 years on with SCSO and came from working North patrol to Stanwood Graveyard. And Deputy Daryn Lea has 1 year with SCSO. He recently completed FTO and came to us from South patrol to working graveyard in Stanwood.

We continue to have small protests regarding immigration enforcement, mostly occurring on the weekends. On February 11th, high school students staged a walkout in protest of Immigration and Customs Enforcement. They were joined by a handful of adult citizens. The protest was peaceful and there was no incident as a result. We have seen other small groups gathering at intersections and with the exception of one small disturbance, they have been uneventful. I have also fielded questions regarding law and SCSO policy surrounding immigration enforcement. I will refer citizens to the SCSO website where we have a Q&A regarding the issue Immigration FAQs | Snohomish County, WA - Official Website.

We continue to see HB 6002 moving now into the House and is currently in the House Committee on Civil Rights and Judiciary for review. It is expected to pass, in some form, and go into effect as soon as it is signed into law.

Lastly, what a month for sports here in WA and the US. Seahawks are Superbowl Champions for the second time!

Go HAWKS!

And what about the men's and women's US hockey teams winning gold, in sudden death overtime, in the 2026 Winter Olympics!

The men winning gold for the first time since 1980!

The Stanwood High School Girls Basketball team took on Bishop Blanchet on February 28th in the State Playoffs. The Lady Spartans fought hard and were tied up at halftime. The Spartans went ahead for a bit but Bishop Blanchet tied it up going into the 4th, 45-45. The Spartans were able to pull ahead with a three-pointer from Senior Presley Harris and the Spartans held on from there pulling out the 60-56 win. The Spartans move onto play Edmonds Woodway on March 4th. The winner of that game will move onto the State Quarter-Finals.

Winter Ski Lodge
