ISSUE

Chief DeWitt will review the June 2026 CompStat Report and provide a general Police update.

Stanwood Police Department CompStat Report

City of Stanwood Police Chief Glenn DeWitt

Prepared by: Snohomish County Sheriff Office Crime Analysis Unit and Stanwood Police Department

JUNE 2026

Stanwood Police Department

COMPSTAT REPORT

What is CompStat?

CompStat stands for 'Computer Statistics' dealing specifically with crime. It is found to be an effective way to accurately track crime and use the information to deploy officers to address it in timely manner. It is a performance management system that is used to reduce crime and achieve other police department goals. It emphasizes information-sharing, responsibility and accountability and improving effectiveness.

What is the benefit to the community?

CompStat allows us to track crime problems and allocate resources to the areas that are being affected. By being able to focus our efforts on areas being impacted, we are able to make apprehensions and drive down crime in Stanwood.

How is data collected?

Crime Analysts access a variety of systems to collect and analyze law enforcement data. Data collection begins at the 911 call center (SNO911) and carries over into law enforcement records management systems (LERMS). Much of the information presented in this report is also reported to state and federal agencies annually.

What data will you see in this report?

What occurred within the city limits of Stanwood and calls responded to by the Stanwood Police outside the city.

This is a true representation of all police activity occurring in the City of Stanwood, you will see these calls listed as "In the STW Beat". On occasion, Stanwood Police officers will be called outside the city to assist other agencies. We also have deputies who live outside of the city so on occasion they will make a traffic stop or respond to a nearby call while commuting to work. You will see these call listed as "Answered by STW ORI"

Incident data:

This represents what police were called to and includes self-initiated activity. Multiple 911 calls for the same incident are presented as a single incident.

Case data:

An incident becomes a case when the deputy determines reporting protocol is met. A case is often generated based on a specific crime, traffic collisions, arrest or the need to document specific actions or information.

JUNE 2026

Stanwood Police Department

POLICE STAFFING

The City of Stanwood contracts for law enforcement services through the Snohomish County Sheriff's Office. The contract is identified as a "stand alone" contract, which allows the City of Stanwood to maintain its own police identity to include policies and procedures that meet unique small city needs. All uniforms and vehicles are identified as Stanwood Police and we provide services to the city population of approximately 8,405.

DIVISIONS:

CHIEF OF POLICE: Has the rank of Lieutenant with the Sheriff's Office. Oversees all aspects of the Police Department daily operations. The Chief works with city staff to ensure community needs are met.

ADMINISTRATIVE SERGEANT: Administers the day-to-day administrative functions of the Police Department and oversees the day shift deputies, School Resource Officer and Detective. Steps in as the Chief of Police when the chief is absent.

NIGHT SERGEANT: Oversees the swing shift and night shift deputies.

PATROL DIVISION: Responds to crimes in progress, traffic collisions, missing persons, and other emergency and non-emergency calls for service.

SCHOOL RESOURCE OFFICER: Utilizes the concept of educator, informal counselor, and law enforcer; working to bridge the gap and build relationships between law enforcement and youth.

DETECTIVE: Works in conjunction with patrol and the resources of the Snohomish County Sheriff's Office to investigate a broad range of felony- and misdemeanor-level crimes that occurred in the City of Stanwood.

	ASSIGNED	VACANCIES	PERCENTAGE
Chief	1	0	100%
Sergeant	2	0	100%
Deputy	5	1	83.5%
School Resource Officer <small>No longer a PD employee - SCSO contract</small>	1	0	100%
Detective	1	0	100%

JUNE 2026

Stanwood Police Department

RECORDS UNIT

Records Summary: Job duties include, but are not limited to, the following;

- Provide administrative support for all members of the Stanwood Police Department.
- Assist the Chief of Police with police budget tracking and review.
- Verify and code all incoming invoices for the Police Department.
- Ordering of supplies for the department, and special events.
- Subject matter expert for the Law Enforcement Records Management System (LERMS) used by Stanwood Police Department.
- Manage all Stanwood Police Department documents and records.
- Review all electronic case file entries and information for accuracy.
- Scan paper records into electronic case files.
- Forward criminal arrest referrals to the Prosecuting Attorney's Office.
- Enter trespass notices, gun alerts, and other safety alerts into the agency's electronic records management system.
- Route Child Protective Services & Adult Protective Service referrals.
- Maintain department case file and document archives per Washington State records retention/destruction schedules.
- Responsible for federal reporting of crime statistics to the National Incident Based Reporting System (NIBRS).
- Run monthly case audits and records validations.
- Enter court orders, missing persons, vehicle impounds, lost or stolen property, stolen vehicles, etc. into Washington Crime Information Center and National Crime Information Center (WACIC/NCIC).
- Provide second checks for all entries made into Washington Crime Information Center and National Crime Information Center (WACIC/NCIC).
- Conduct background checks for concealed pistol license and pistol transfers applications.
- Provide fingerprint services for concealed pistol license applicants and citizen fingerprints.
- Review and fulfill public records requests within the guidelines of the Public Records Act.
- Create/update/maintain all process, procedure, and training manuals for the position.
- Serve as Stanwood Police Department's Terminal Agency Coordinator for the Washington State Patrol ACCESS program.
- Assists with walk-in and telephone customers, averaging 8,000 yearly contacts.
- Route calls to 911 and non-emergency dispatch.
- Respond to requests for service and answer general questions.
- Manage key & key fob assignments for City of Stanwood employees.

JUNE 2026

Stanwood Police Department

Message from the Chief

Councilmembers,

As June comes to a close, here is a quick update on the events from the month.

During this past month, we continued our work on relocating the FLOCK cameras. This effort has required careful navigation of new state law restrictions related to ALPR camera placement, as well as limitations on installing equipment within DOT right of way. At this time, only one camera location remains to be resolved, and I expect to have that finalized soon.

Our team provided security support for the Stanfest event at Church Creek Park, which proceeded smoothly with no reported issues. Additionally, several Deputies—including Sgt. Gilje and myself—were present for the Idler's Car Show. Sgt. Gilje noted that the Saturday evening cruise was among the largest he has seen in recent years, likely encouraged by the sunny afternoon weather. Sunday's car show was also well attended and generally uneventful. We did have one homeowner encouraging vehicles to perform burnouts near his residence, evidence of which remains visible on the roadway; however, no significant problems arose from this incident.

Earlier in the month, Sgt. Gilje, Deputy McCurry, and I had the pleasure of attending the Bike to School event, where we were able to greet and interact with students as they rode their bicycles to school. It was a positive community engagement opportunity and well received by the kids.

We are looking forward to a summer filled with fun community events.

Chief DeWitt

Stanwood Police Department

Detective Report

Stanwood Police Case 2026-4199 Agency Assist Identity Theft/Bank Fraud

On 06-09-2026 a citizen stopped by the Stanwood Police Department to report fraud associated with a home equity line-of-credit (HELOC) account at her bank. Someone used fake military identification bearing the victim's information to make an unauthorized withdrawal from the victim's account at a bank branch in Woodinville. The woman, a Camano Island resident, was referred to the Island County Sheriff's Office.

After reporting the incident to the Island County Sheriff's Office, the victim was directed to report the theft from her account to the Woodinville Police Department. The responding deputy told the victim he was aware of similar case involving a Camano Island resident a couple of weeks earlier. When the victim contacted the Woodinville Police Department, they declined to take a report and referred her back to the Island County Sheriff's Office.

Detective Martin contacted the victim's bank and requested video images of the female suspect.

Detective Martin shared images of the alleged female suspect with area detectives and requested assistance in identifying the person. Detective Martin received a response from a detective in Beaverton, Oregon who was investigating a case with the same suspect, but he had not identified her. The suspect from the case in Beaverton used a fake military ID to make an unauthorized withdrawal from a victim's HELOC account.

Detective Martin contacted a crime analyst at the Redmond Police Department who later shared information from a recent law enforcement bulletin posted by the Ridgeland Police Department in Mississippi related to the same type of crime. An image of the female suspect from the case in Mississippi appeared to be the same person involved in the case from WA and OR. Detective Martin contacted the investigating detective from the Ridgeland Police Department (MS) and learned the female had been identified as a former resident of Connecticut.

Detective Martin will be working with detectives from Oregon and Mississippi to gather information necessary to refer charges to the Prosecutor's Office.

JUNE 2026

The following pages cover incidents data. This is also known as calls for service.

If 30 people call because there's a wreck in front of Haggen's, it counts here once.

TOTAL INCIDENTS - inside Stanwood city limits
