

Public Safety Committee

Meeting Minutes

November 10, 2022

LOCATION: School Admin Bldg, 26920 Pioneer Hwy Stanwood WA

ATTENDANCE:

- City Council Members – Steve Shepro, Tim Schmitt, and Timothy Pearce
- Stanwood Police – Chief Jason Toner
- North County Regional Fire –Deputy Chief David Kracksi
- City Administrator – Shawn Smith

CALLED TO ORDER: Meeting Called to Order at 6:00 pm

DISCUSSION:

- Shawn Smith discussed the ILA with Snohomish County concerning turning over any City ownership stake of the Rucker Building. This would be done via a quick claim deed. The Rucker Building was purchased by the Snohomish County Health District (SCHD) in 1990. The City of Stanwood contributed a small amount of money towards the purchase as a member of the health district. Snohomish County is absorbing the SCHD in 2023 and has promised not to sell the Rucker building and continue to use for community health. There was some discussion of being reimbursed by Snohomish County, but it would not be feasible due to lack of records and the low dollar amount vs the cost of recouping the money.
- Council Member Schmitt discussed the 2023 facility upgrade of Stanwood PD and the possibility of a new police station in the future.
- Deputy Chief Kracksi went over the 3rd quarter report, within budget for 2022, and the Santa Run in Stanwood December 12th and 13th.
- Chief Toner went over the October CompStat Report and also discussed the need to update the Stanwood Municipal Code on Possession of Drug Paraphernalia, as the code is close to 40 years old, and some provisions are no longer valid.

Adjourn: Meeting Adjourned at 6:40
